#### Farmers

McCollum Orchards commits to provide sustainably grown, fresh, high quality fruits and vegetables that are free of synthetic pesticides, herbicides and fungicides. McCollum Orchards farmers make every effort to guarantee crop success and a beneficial farm experience for members.

#### Members

I commit to become a member of McCollum Orchards. I agree to pick up my share every week of the season. If I am unable, I will find someone to pick up for me. I acknowledge that risks due to weather, crop failure and pest pressure exist in farming and, by committing to McCollum Orchards, I share in the risks and rewards of agriculture. Share remainders are refundable before the first pick-up of the season.
